September 14-15, 2018

captuRE

Energy and Environment from your perspective

About the Event:

A photography competition to spread awareness and get insight of energy and environment in your everyday life.

Theme:

Relating to Energy and Environment especially

- SDG 6(Clean Water): Ensure availability and sustainable management of water and sanitation for all
- SDG 7(Energy): Ensure access to affordable, reliable, sustainable and modern energy for all
- SDG 11(Sustainable cities): Make cities and human settlements inclusive, safe, resilient and sustainable
- SDG 13 (Climate action): Take urgent action to combat climate change and its impacts
- SDG 15(Life on Land): Protect, restore and promote sustainable use of terrestrial ecosystems

Rules and Regulations:

1. Submission Details:

- Photograph with a short description (mentioned in a .doc or .pdf file format) must be uploaded to the One Drive link provided below for selection.
- File names of the photograph and document containing description must be in the following format:

Retopia2018_captuRE_(Participant Name)_(Photograph Title)

- One Drive Link:

2. The photograph should be based on any one of the five themes given.
3. The photograph must be captured by the participants using any capturing media (camera, mobile phone or tablet) and relevant to the theme chosen by the participant.
4. A short description (in a few words) should be provided for the photograph. It can be included in a separate blank image (preferably solid black with a legible font size in white colour) before the picture is presented. The theme and context should be properly explained through it.
5. Only one entry is allowed per team (1 to 3 members in a team).
6. The event will be conducted in two stages:
 - Stage I will include registration for the event and submission of entry (no charge),
 - Stage II the shortlisted participants have to pay an entry of INR 100 & give a brief illustration of the photograph.
7. Free submission & Entry fee of INR 100 will be charged ONLY if shortlisted for the stage II and registration has to be done separately on the REtopia website for the CAPTURE event held on 'Day Two'.
8. Registration in CAPTURE automatically makes you eligible for attending REtopia 2018 for that day. The entries of the event will be presented in the symposium, regardless of whether your entry has been selected. But, for attending both the days of REtopia along with participating in CAPTURE, you need to re-register for 'Day One' option in the same way done for 'Day Two'.
9. No explicit content will be allowed (screening will be done by organizers before uploading online).

10. No restriction on capturing media so long as it complies with all existing rules and regulations.
11. Originality is extremely essential. Existing copyrights by any organization or individuals must not be violated.
12. In case of any dispute, the decision of the organisers would be final and binding.

Other Details:

- One entry per team
- Submitted Online through drive link
- Rs 100 Entry Fee (ONLY if shortlisted for stage II)
- No restriction on Capturing Media.
- No explicit content (screening will be done by organizers before uploading online)
- Originality is must: No copyright infringement
