Ms Ananya Khosla, Dr Arun Kansal, Dr Chander K Singh, Mr Sandeep Arora and Dr Neeti were not present with prior intimation.

Agenda 1: Confirmation of the Minutes of the Meeting held on 7th August 2021.

Minutes of the meeting shared electronically. No comments were received. The members of IQAC approved the minutes.

Agenda 2: Introduction of members to the Chairperson and Welcome Remarks

It was apprised to the Chairperson for the present composition of IQAC and require sync with the latest NAAC Guidelines [vide: Notification on Composition dated 11.06.21]. Chairperson in his welcome remarks emphasised on the importance of role to prepare the annual report along with the road map and activities of IQAC office. The chairperson also introduced the new coordinator to the members and informed the members about the recent organizational changes.

Agenda 3: To apprise the preparedness of the AQAR

The coordinator-IQAC informed that the submission of Annual Quality Assessment Report (AQAR) for the year 2020-21 is due with last date of submission as 31st March 2022 on NAAC portal. The coordinator also informed that the format of AQAR for 2020-21 is completely different compared to previous year. The entire AQAR is divided in two parts – Part A and Part B. Part A has 4 sections and Part B has 7 sections which is spread over around 122 metrics. Each metric requires text, data in prescribed format followed by supporting document. The coordinator also informed that the university has submitted Self Study Report (SSR) to NAAC on 17th December 2021 [Coordinated by Dr Nandan Nawn] for re-assessment of the existing grade. The data and supporting document submitted to NAAC with SSR has been used to complete the offline AQAR, which has been tabled in this meeting. The same will be uploaded on the NAAC portal in due course of time.

Agenda 4: Any other matter with the permission of chair

Following additional matters have been discussed

1. Review of Student Satisfaction Survey (SSS)

The coordinator proposed to revisit the different heads on the Student Satisfaction Survey (SSS) form to which the IQAC members agree. The coordinator informed that the form shall be circulated along with the minutes and IQAC members may give their comments before the next IQAC meeting. Also, it has been decided that all the enrolled students including PhD students should take part in the survey.

2. Realignment of Faculty Appraisal Form

In view of the new AQAR format, the coordinator proposed to realign the existing Faculty Appraisal Form as per the new AQAR format to gather any additional data and supporting documents. The coordinator suggested that this point can be discussed in the next meeting in light of the different criterion of the new AQAR format.

3. Activities related to best practice

The coordinator informed the IQAC members that as per the new AQAR format the following information are required to be uploaded along with others:

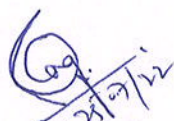

- (i). Section 7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

The coordinator informed the members that for this year the activities related to Student Magazine by Eco Club titled "Vasundhara" would be listed for section 7.2.1

- (ii). Section 7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust

The coordinator informed the members that for this year the activities related to "Wednesdays for Water" would be listed for section 7.2.1

The meeting ended with thanks to the chair and other members.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes(PSOs) and Course Outcomes(COs) of the Programmes offered by the University

TERI School of Advanced Studies (TERI SAS) was established as a Trust in 1998 with TERI (The Energy and Resources Institute) as its sponsoring society promoting research led education in the fields of energy, environment, natural resources and sustainability through masters and PhD programmes with courses having societal relevance. The purpose and vision for the University was further strengthened in 1999 after getting "Deemed to be University" status by the UGC and notified vide the Ministry of Human Resources Development,

Department of Education, Government of India, notification no. F.9-19/95-U-3 dated 5 October 1999.

The academic activities are spread over 14 masters and 6 PhD programmes. The programmes are designed to promote interdisciplinarity on cross cutting issues promoting the sustainability studies through the SDGs (Sustainable Development Goals), different national policies & missions and national & international schemes by incorporating them in the curriculum directly or indirectly.

. The courses have been developed to promote the learning based on SDGs and several national & international missions such as National Mission for Sustaining the Himalayan Ecosystem, National Skill Development Mission, National Clean Air Programme, National Mission on Education through Information and Communication Technology etc along with corresponding SDGs.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

TERI School of advanced studies (TERI SAS) came into existence with an aspiration to promote sustainability through structured programmes. It is evident that incorporating the concept of gender equality, human values and professional ethics is inevitable to bring the concept of sustainable development to reality. Keeping this into mind, the courses of all the 14 Masters and 6 PhD are designed to integrate cross cutting issues relevant to Gender, Environment and Sustainability, Human Values and Professional Ethics as part of the curriculum. Different courses spread over diverse programmes of the university offers the opportunity to study and analyze a number of policies, measures, activities and campaigns related to these contemporary fields facilitate students to evolve as sensitive and ethical individuals grounded in strong personal values and principles. TERI SAS positions itself as a source for creation of professionals on sustainable development who would be able to tackle issues related to these areas that need urgent attention. This guiding philosophy influences formulation of curriculum and are communicated effectively through appropriate emphasis on gender, human values and ethics.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

1. At TERI SAS, from the time of admission itself, learning levels of students are assessed. Later it is followed up at the programme

level orientation programs at the beginning of every semester and then through continuous evaluation process employing a variety of assessments 2. On average every course has three assessments. This, coupled with mid-term feedback enables both students and faculty to identify, intervene and address diversity in learning levels. 3. Special programs are organized for both slow and advanced learners. 4. Many programmes organise regular expert lectures provide a 360-degree perspective and understanding of many of the core subjects. 5. Many courses include tutorials facilitating individual attention for both slow and advance learners; provision of hands-on training is accounted for under practical hours. 6. Each program has MPEC comprising of a Program Coordinator and other faculty members directly contributing to the program. MPEC meets at least two times in a semester and is responsible to undertake all academic matters qua the program viz. running the course, moderation of the grades etc. They monitor performance of the students, and take appropriate actions. Mentors are assigned to all students. Mentors of slow learners keep informing the MPEC on their progress.

2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year

TERI SAS aims at preparing graduates to be the future agents for social good, which is resonated in the teaching and assessment methods adopted. The departments employ a variety of formative and summative assessments across courses and programs.

An evaluation of PSOs and COs of each programme and course are undertaken at individual department level using a continuous evaluation system throughout the semester. Master's Program Executive Committee (MPEC) meets regularly to ensure that the program outcomes are in sync with the objectives as required for employment as well as further studies. The attainment of program objectives is particularly evaluated through final dissertations/major project assignments undertaken by students over a period of one full semester. Faculty members take cognizance of the PSOs and COs while assigning grades at all levels. The recommendations of all the program level executive committees (MPECs) are reviewed by Deans and approved grades are forwarded to Controller of Examination for necessary action.

3.6 - Extension Activities

3.6.1 - Extension activities in the neighbourhood community in terms of impact and sensitising students to social issues and holistic development during the year

Students and faculty members are involved in various activities in the neighborhoods.

Through empirically grounded thesis and research projects, students work on live cases such as impact of air pollution and extreme climate events on traffic policemen, street vendors, sweepers and auto-rickshaw drivers. Some of the work has been published in international journals.

Assignment based field visits are held to conduct climate vulnerability assessment of communities in the neighbourhood as part of the curriculum. Studies have been conducted by students on vulnerability assessment of the slum communities in South Delhi and challenges related to control of water table depletion in Vasant Kunj and Masoodpur. This work received the Earthian-2013 award from Wipro (link). Recently TERI Students and Covid task force set up by its Eco Club has received laurels for their contributions in assisting those affected by pandemic (reported in metric 3.6.2).

In addition, the School-University Network (SUN) (link1, link2, link3, link4, link5, link6), BLISS (link) and other similar initiatives involve school level students based in Delhi NCR to visit TERI SAS and initiated them to the ways and means to adopt sustainable lifestyles.

All events are reported here: <https://terisas.ac.in/whats-happening.php>; Endeavour by faculty members to outreach are reported here: <https://terisas.ac.in/outreach.php>.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment, etc.

Located in the fringes of Aravalli range, TERI SAS campus is an architectural delight. It has been planned to provide a setting that enhances learning, while simultaneously showcasing the concept of modern green, smart and productive building. The building has 14 well-equipped science laboratories to facilitate cutting edge research, along with a well designed conference hall, a seminar hall and adequate number of classrooms, each equipped with latest and functional audio visual display systems, adequate to cater to the needs of teaching, research and extension activities of this Deemed to be University. Website of each laboratory describes a few key equipments, software and other such besides the research areas it support and a contact email address. There is a well-equipped Computer Laboratory for use by students, a Media lab and a language lab.. TERI SAS hosts South Asia's most comprehensive library on Energy and Environment. The library uses barcode technology that

enables automated circulation and management of resources. It uses a web-enabled digital information system as a communication tool for providing updated information about other libraries, list of journals and links to e-resources.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, games (indoor, outdoor) and sports. (gymnasium, yoga centre, auditorium, etc.)

TERI SAS always encourages its students to actively take part in sports to keep them physically and mentally alert and fit. From last several years, there has been a tradition at the institute for celebrating Sports Meet in which both boys and girls take part very enthusiastically and with great zeal (link). A Badminton court and a Table Tennis playing area are available in the campus which are extensively used by the faculty and students. The Basketball and Volley Ball courts were established in 2011. In addition to these, facility for several in-house games viz. Chess, Carrom etc. have been created in the activity room. There is also a mini gymnasium with equipment like cycle, walker and work stations. One of the big hall in the campus is used for Yoga classes for promoting Yoga. Competitive cricket and football matches used to be played at TERI Gram ground owned by the sponsoring society. Open lawn and amphitheater host many programmes and activities

4.1.3 - Availability of general campus facilities and overall ambience

With a built up area of 7962 sq m, on a land of 2 acres, the campus is a visual delight. Just outside the campus, there is an Automatic Weather Station operational since April 2016, has collected hourly data on temperature, humidity, heat index, wind direction, wind speed and incident solar radiation, UV Sensors put up by TERI along with ALTERRA under its HI-AWARE project. Wind turbine was installed in 2017. After entering the campus one finds the bell and a quote from Gurudev Rabindranath Tagore. Next to it is the Wall of honour that includes the name of the student securing highest CGPA per graduating batch. From the entrance, Academic block falls on the left that hosts laboratories, IT lab, media lab, classrooms, lecture halls, seminar halls, and the library. On the right it is the

administrative block that hosts administration, faculty cubicles, office of VC and registrar, a conference hall, and pantry. At the rear is the cafeteria block, hosting the canteen, a few classrooms, language lab and PhD scholars room. This building looks over the amphitheatre. Parking space is in the basement, ensuring efficient use of space.

4.3.2 - Institution has an IT policy, makes appropriate budgetary provision and updates its IT facilities including Wi-Fi facility

TERI SAS has a robust IT infrastructure, supporting every aspect of its functioning, from portal based

admission to selection of courses through student portal to remote access to e-resources at the library to online classes to online

proctored examinations to online access to results and grades, or from procurement to leave of the staff.

Compendium of Policies and Guidelines 2017. Its Chapter VII covers aspects such as Procedure for information collection and Updation of website and Social Media, and Maintenance of the TERI SAS website .

Board of Management in its 39th meeting on 14.08.2021 approved the HEI's IT Policy .Aspects that it covers include the following:

- LAN & Desktop connection policy
- Backup policy
- Wi-Fi policy
- Printing policy
- Virus checking
- Email Security
- Email Account Management
- Service Level management

IT infrastructure, including Wi-Fi and Website are regularly updated at TERI SAS. Evidence of seamless switching to online teaching and examination in March 2020 shows that the e-office is a part of culture at this HEI. AQAR 2019-20 included 'Integration of Information and Communication Technology in all aspects of functioning of HEI' as one of the best practices .

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

TERI SAS as an institution of international repute has always been instrumental in utilizing the opportunities of celebrating the national and international commemorative days in such a manner that those could be the source of inspiration, motivation, awareness, commitment, perseverance, pride, and progress for its students and the society in general. All-important national days, especially Independence day and Republic day, are celebrated in its small campus (in the TERI SAS amphitheater), but in a grand manner in the presence of and with the participation of students, faculty members and administrative staffs.

TERI SAS family always offers tribute/homage to great leaders, scientists, freedom fighters and other personalities of national and international fame by commemorating their birth and death anniversary in the form of seminar, invited talks, organizing several events including quiz, poster/poetry/essay competitions etc.

7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

Student Magazine by Eco Club titled "Vasundhara"

This unique magazine was started by TERI SAS Eco-Club to synthesise current knowledge concerning sustainable development and document grassroots realities.

TERI SAS students intended to create an engaging magazine covering current issues surrounding sustainable development. Students possess good research acumen, however converting it into engaging content was quite challenging.

Launched in March 2020, Eco-club magazine "Vasundhara" has been a creative endeavour to sensitise student community regarding sustainable development. This professional quality magazine is widely circulated online and has loyal readership within and beyond TERI SAS community. Limited publishing skillsets within students and higher printing costs are two major challenges.

The 8th edition of the magazine was launched at Conference of Parties (COP)-26 and 9th edition of the magazine was launched in World Sustainable Development Summit (WSDS). The magazine and its engaging content were widely praised in both these events.

High-quality publishing requires skillsets like graphic design, writing, photography, interviewing, editing and software skills. A dedicated graphic design and video/photo editing software is also needed to continue this practice sustainably.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Wednesdays for Water (www.wforw.in)

USP of the activity

To engage in conversation with water experts, grassroots practitioners, policy makers and youth to explore the complex-intertwined issues associated with water and explore possible solutions

Brief detail of the activity

The Wednesdays for Water leverages the virtual and the social media platforms to create awareness and deliberate on challenges and solutions related to water issues in India. There is a talk that is scheduled every Wednesday between 1700-1815 hours.

Evidence of Success

It completed 41 talks as on 21 Feb 2022 and has also had the privilege of hosting distinguished talks by eminent speakers namely Shri G Asok Kumar, DG, NMCG, Dr. Kiran Bedi (Retd. IPS), Mr Rajender Singh (Waterman of India) and other Padma Shri and Padma Vibhushan speakers.

Problems Encountered and Resources Required

Everyone in the team is working pro bono beyond regular office hours to sustain this initiative and hence there are challenges in timely conversion of talks into articles and editing of videos. Wednesdays for Water would also like to scale up the virtual discussion to physical deliberations in towns and cities across India.
