  - ii) The posts to be advertised along with approved eligibility conditions on the TERI SAS website for at least 15 days.
  - iii) Applications received shall be screened to judge the suitability.
  - iv) Once the initial shortlist is ready, a written test shall be conducted and the top 25% candidates (or three times the number of posts, whichever is higher) qualifying the written test will be subjected to an interview by a selection panel headed by the Registrar.
  - v) Based on the results of the interview, the final list of candidates shall be prepared.
  - vi) Meeting of these candidates with the Vice Chancellor will be arranged.

- vii) Once the Vice Chancellor approves the candidature of the candidates, they will be issued an offer letter by the Registrar.
- viii)Once the offer letter is issued to the candidates, they are required to accept the offer and indicate a date on which they would be able to join. Prior to joining the candidate is expected to give a certificate of sound physical and mental health appropriate for the job.

#### 2. Consultancy contract.

- a) Consultancy contracts are to be entered with those who have expertise to contribute to TERI SAS's activities on a part-time basis. The specific purpose and the specific rules and procedures to be followed for employing Consultants shall depend on the circumstances of the particular case. However, following main considerations would guide the need and the selection process: -
  - Absence of required expertise in-house/requirement to augment in-house expertise;
  - The need for high quality services;
  - The need for economy and efficiency;
  - The need to have qualified Consultants for providing the specific services;
- b) A selection panel comprising of at least three members shall be constituted by the Registrar to carry out the selection of the consultants. The Committee shall be responsible for all aspects and stages of the consultant selection i.e. issuance of advertisement through Registrar office, short-listing of consultants, deciding the Terms of Reference, and final selection of the consultant.
- c) On approval of the VC, the offer letter will be issued.

#### 3. Sub-contracts under projects.

- a) Specific tasks in a project requiring specialized expertise are assigned to personnel under projects within the budget provision and availability of line items of the project. Usually, the need for such sub-contracts are identified by Principal Investigators and sub-contracts are entered into.
- b) Personnel associated through such contracts shall not be considered as employees of the University, as their involvement is limited to completing the given task in the project for which he/she is compensated against deliverables as per terms agreed upon.
- c) A selection panel comprising of at least three members shall be constituted by the PI to carry out the selection procedure of such personnel. The Committee shall be responsible for all aspects and stages of the selection i.e. placing of advertisement through Registrar office, short-listing of candidates, deciding Terms of Reference, and final selection of the person for the project.
- d) The record of the entire selection process to be provided to the Registrar in the format placed at Enclosure II for issuance of offer letter.

#### 4. Outsourced employment.

- a) Outsourced employees are those who shall be employed by a contracted vendor. It shall be ensured in the contract that the vendor looks after all the statutory compliance and other conditions set by the University.
- b) The contracted vendor shall be selected by the purchase committee based on quotations received from the vendors.
- c) Approval for need will be obtained from the VC in the Requisition Form placed at Enclosure I.
- d) The selection of such employees will be carried out by a three-member selection panel comprising of members of University and the selected vendor.

#### Internal recruitment/promotion of staff

#### 5. Promotion: -

a) On promotion, the staff from regular employment moves to a higher entry pay scale (with increment) or level with same or different job profile thus providing a career progression opportunity.

#### b) Process: -

- i) Based on the periodic assessment/performance appraisal, staff(s) in regular appointment shall be recommended by the Registrar for promotion.
- ii) Approval of VC will be obtained for the recommended candidate(s).
- iii) Letter to be issued by the Registrar to the selected employee communicating about the new scale/post.

#### 6. Lateral absorption: -

a) In lateral absorption, the staff enrolled in all the types of employment will be given an opportunity for absorption in regular employment.

#### b) Process: -

- i) A justification for the need shall be submitted in the requisition form (Enclosure I) to the VC for approval.
- ii) On approval the post shall be advertised in the internal portal of the website.
- iii) Personnel who have completed at least three years in any type of non-regular employment in the University shall be eligible to apply.
- iv) Applicant shall forward candidature to the Registrar's office after necessary approval from the existing section head.
- v) The Registrar office shall consolidate the applications received and carryout a preliminary level of screening to judge the suitability of the candidate.

- vi) Applications which fulfil the eligibility criteria as required in the job description shall be shortlisted for interview by a selection panel consisting of at least three members headed by Registrar.
- vii) Approval of VC will be obtained for the selected candidate and offer letter to be issued by Registrar.
- viii) Selected employee has to respond to the offer letter within 5 working days.
- ix) Necessary changes in the contract/offer and internal database be made to facilitate the lateral movement of the selected candidate(s).
