

Mr. Kamalakkannan M.

Director of Innovation

Emerson Electric (India) Pvt. Ltd.

LinkedIn - [Kamalakkannan Muthusubramanian | LinkedIn](#)

Mr. Kamalakkannan has over 24 years of experience across the thermal power generation and air-conditioning industries, he brings extensive global expertise in engineering innovation and technology-driven solutions. His professional journey spans India, the United States, and the Middle East, where he has held key roles contributing to organizational growth, innovation, and strategic development.

He holds a Bachelor's degree in Mechanical Engineering from Bangalore University and a Master's degree in Mechanical Engineering from the University of Maryland. He further strengthened his management and leadership capabilities through an MBA from the SP Jain Institute of Management and Research.

Currently, he is pursuing a Ph.D. at TERI School of Advanced Studies, reflecting his continued commitment to advancing knowledge and contributing to sustainable technological solutions. Through his interdisciplinary background in engineering and business strategy, he supports transformative innovation initiatives at Emerson.
