Doctoral Research Conference
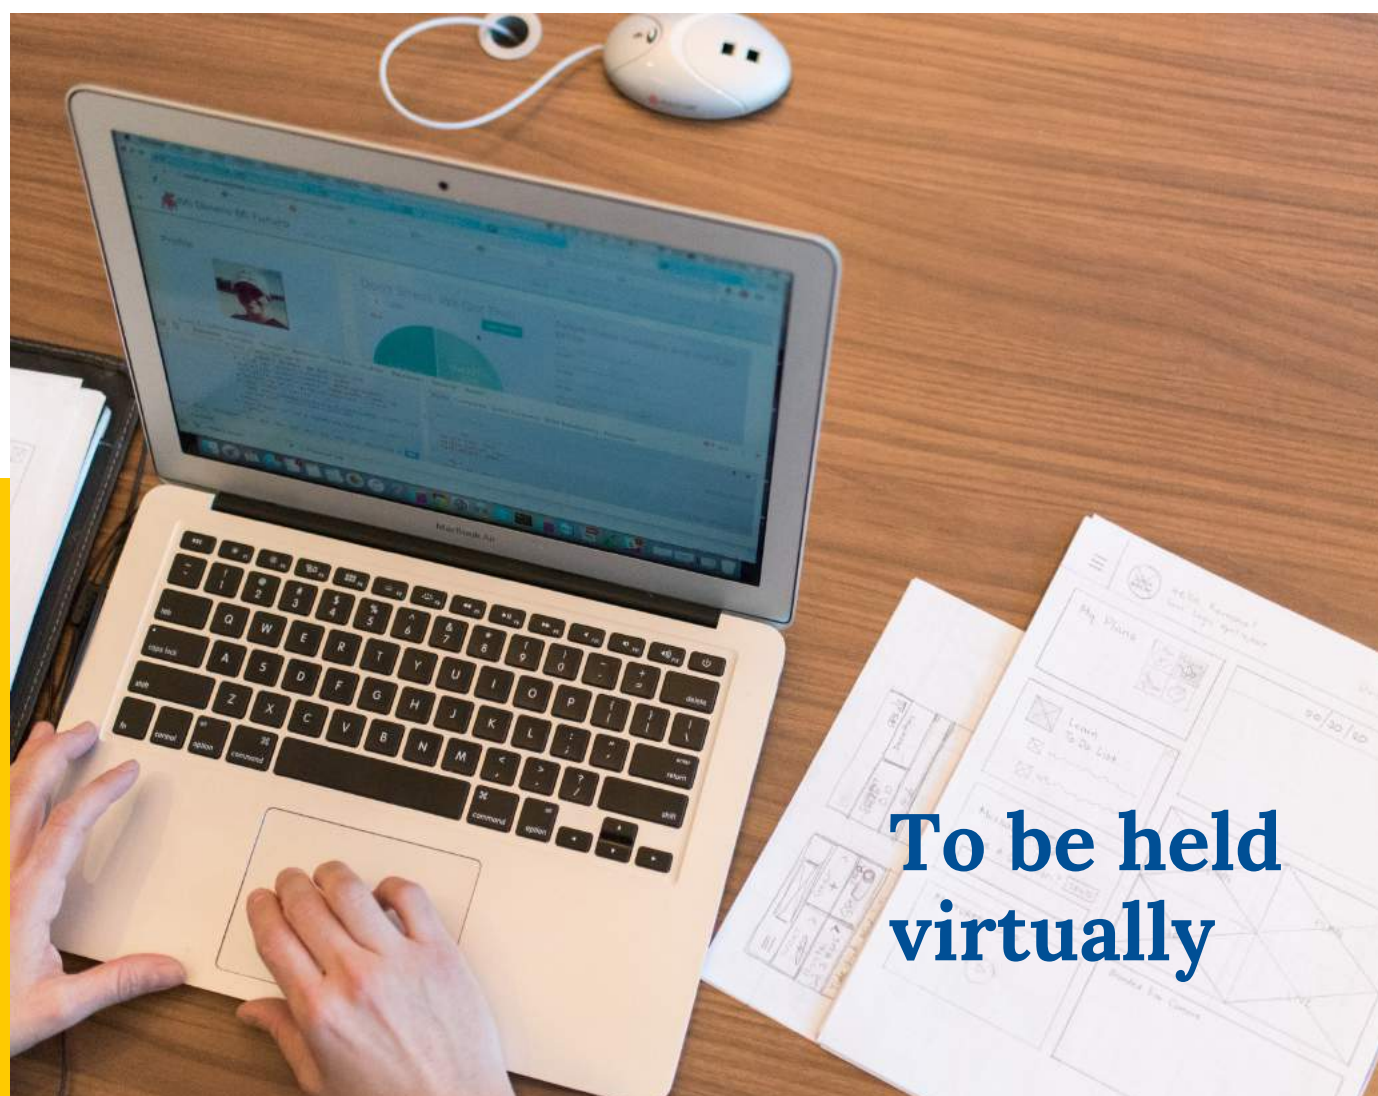

ORGANIZED BY: DEPARTMENT OF BUSINESS AND SUSTAINABILITY @TERI SCHOOL OF ADVANCED STUDIES

teri school of advanced studies

2021

To be held virtually

Conference Dates: 27 - 28 August, 2021
Last Date of Registration: 25 August, 2021

About the Conference

The Department of Business and Sustainability, TERI School of Advanced Studies announces its first Doctoral Research Conference in Management which aims to bring together doctoral students affiliated to institutions across India and from international schools for an event of paper presentations, discussions with senior academics and researchers from industry, and publication-oriented development.

The Doctoral Conference invites full research papers from the Doctoral scholars in Management across all areas including *Sustainability Management, Marketing, Production & Operations Management, Strategic Management & Entrepreneurship, Finance, and Accounting, Economics, International Business, Organizational Behavior/HRM, Public Policy, Information Management & Analytics, Other Disciplinary and Interdisciplinary subjects.*

The submissions are going to be reviewed by a Faculty Review Committee in multiple rounds, from which a group of papers is going to be finally selected for presentation and reviewed by the discussants. We aim to pick a minimum of one paper from each area, for the final presentation. The conference will include plenary sessions with invited keynote speakers.
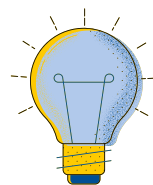

About TERI SAS

TERI SAS (earlier TERI University) was established to disseminate the vast reservoir of knowledge devised by The Energy and Resources Institute (TERI), a not-for-profit, independent research institute recognized globally for its contribution to scientific and policy research in the realms of energy, environment, and sustainable development. TERI SAS' academic programs are envisioned to provide students with a holistic perspective of the subjects offered and encourage interdisciplinary learning. The University is a first-of-its-kind university in India to dedicate itself to the study of the environment, energy, law, water resources, business sustainability and natural sciences for sustainable development.

The Department of Business & Sustainability is committed to the cause of continued research in sustainability for business. Its mission is to provide experience and research-based education that would equip the students to implement an integrated approach to business sustainability, so that the world we share thrives with a greener agenda. The department offers two Masters' programs, MBA in Sustainability Management and MBA in Infrastructure Management. It also offers Ph.D. programs, both full-time and part-time, with the goal of capacity building in the area for the academic world and the industry.

Objectives

The objectives of the Conference are:
- to identify and encourage research by doctoral students in the Management domain.
- to provide a platform where insightful feedback from senior researchers and academicians can help improve the standard and rigor of student research.
- to facilitate collaborative work amongst researchers from different institutions.
- to provide a platform of exchange between doctoral students, leading academicians, and researchers from the industry to identify new applications and avenues of research.

Who should attend?

- The conference is open to doctoral students who have commenced research on their thesis.
- Only one paper per student is allowed; while co-authorship with faculty is permitted, the paper must be presented by the doctoral student at the conference.
- The paper should not have been published, or accepted for publication, in any academic journal.

Award

Three Best Paper Awards will be given for the three best papers among those selected for presentation, based on the decision of the Conference Chairs, Discussants and Faculty Review Committee.

***E-Certificates will be awarded to all authors, presenters, and participants.**

Publication

Selected papers will be published in the Conference Proceeding book with an ISBN Number.
