25 July 2022

TO WHOM IT MAY CONCERN

The TERI School of Advanced Studies (TERI SAS) adopts the following formula for notional conversion of Cumulative Grade Point Average (CGPA) to percentage terms (TS/AC/50.2.1) for the purpose of Internship/employment/scholarships/higher education, etc. for all its graduates since the inception of the university:

$$\text{Percentage} = 10 * [\text{CGPA}]$$

The medium of instruction for all programmes at the TERI School of Advanced Studies is English.
