

Library Committee Meeting

Minutes of the Meeting held on August 8th, 2022

A telephonic meeting of the Library Committee was held 8th August 2022 to discuss the following agenda matter.

Agenda matter: Decision to choose between a) Capitaline database, and b) CMIE-ProwessIQ database

The following members (Library Committee members and other faculty members) were present:

Dr. Gopak K. Sarangi (Library committee convener)
Dr. Bhawna Bali (Library committee member)
Mr. Ratan Kr. Jha (Secretary, Library committee)

-
- Library members discussed in detail the pros and cons of both the data sets with regard to the usability, relevance, data coverage, data quality and authenticity issues etc.
 - Based on the quotations, quality, demand from students, and relevance and usability, Library comments members unanimously suggested to go for CMIE data base.
 - It is requested that while negotiating the price with the client, Finance Officer's help may be taken.

The meeting ended with a thank you note to all the members.

⊛ I and Mr Ratan had negotiated with CMIE they are not ready to reduce the price but ready to give Extension of Use of Data for 1-2 months ^{instead of 12 months} and also provide Economic out ^{of pocket} Data Base for one month as per our requirement ^{of 22/8/22} on face of GST.

Subject: Data Procurement

Dear Library Committee Members,

Based on the discussions and interactions today, MoM is prepared with regard to the data procurement. Kindly check the document and offer your inputs and comments.

Best regards,
Gopal
Library Committee Convenor
