# Implementing SDGs in India: Challenges and Way Forward

**TERI University**

10 Institutional Area, Vasant Kunj, New Delhi-110070

**11th April, 2017**

The UN initiated SDG framework and goals presents before us formidable challenge of designing implementation strategies and strengthening institutions to achieve the targets by 2030. In order to understand and critically reflect on the nature of complexities, current efforts and preparedness required, the Department of Policy Studies at TERI University is organizing a one day event titled "Implementing SDGs in India: Challenges and Way Forward". The event will bring together renowned academicians, bureaucrats, development organizations, faculty and students to reflect, understand and discuss the possibilities for sustained action towards these goals.

## Highlights of the event:

Critical reflection and brainstorming to understand the challenges in implementing SDGs

- Keynote Speech: Persisting Inequalities and SDGs (Professor Sukhdeo Thoarat)
- Panel Discussions: Challenges in implementing SDGs- policy and practice (Experts from NITI Aayog, IDRC, IHD other academic institutions, industry and civil society)

## Attractive opportunity for youth to display their innovative ideas and debate on sustainability

- Poster Competition "Innovative Solutions to Sustainability Challenges"
- Student Debate
- Attractive prizes for winners of (Submission deadline: April 5, 2017) poster competition and debate.
