

4.1.3	Availability of general campus facilities and overall ambience Describe the general campus facilities and its utilization in maximum of 500 words	5
Q1M	File Description: Upload any additional information Provide the link for additional information	

TEXT

With a built up area of 7962 sq m, on a land of 2 acres, the campus is a visual delight. It shares one of its walls with Aravalli Biodiversity Park, in Vasant Kunj.

Just outside the campus, there is a Automatic Weather Station operational since April 2016, has collected hourly data on temperature, humidity, heat index, wind direction, wind speed and incident solar radiation, UV Sensors put up by TERI along with ALTERRA (Wageningen UR) under its HI-AWARE project. Wind turbine was installed in 2017 ([link1](#), [link2](#)).

After entering the campus one finds the bell and a quote from Gurudev Rabindranath Tagore. Next to it is the Wall of honour that includes the name of the student securing highest CGPA per graduating batch.

From the entrance, Academic block falls on the left that hosts laboratories, IT lab, media lab, classrooms, lecture halls, seminar halls, and the library. On the right it is the administrative block that hosts administration, faculty cubicles, office of VC and registrar, a conference hall, and pantry.

At the rear is the cafeteria block, hosting the canteen, a few classrooms, language lab and PhD scholars room. This building looks over the amphitheatre. Adequate facilities exist throughout the campus for all kind of activities. Parking space is in the basement, ensuring efficient use of space.
