RESOLUTION NO.BM/08/2001: FURTHER RESOLVED THAT the Chairman be authorised to approve

Memorandum of Understanding between TERI School of Advanced Studies (TERI-SAS) and Tata Energy Research Institute (TERI)

The Tata Energy Research Institute (TERI) is an autonomous, not-for-profit, research Institute established in 1974 in New Delhi, India to undertake and to conduct wide-ranging research development and application of non-depleting and non-polluting sources of energy (typified by solar energy, wind energy, tidal energy and thermal energy of the oceans) and research development and application of techniques aimed at achieving fuller and less-polluting utilisation of fossil and / or nuclear fuels.

In addition to research in these areas, TERI's objective has been to disseminate knowledge in these areas through various means.

and

The TERI School of Advanced Studies (TERI-SAS) was established as a Trust in 1998 at New Delhi and accorded the deemed university status in 1999 by the University Grant's Commission (UGC). TERI-SAS has been established to conduct training in energy studies, biosciences, environmental sciences, public policy and such other branches of learning as it may deem fit. In addition to training in these areas, TERI-SAS would also provide for research and for the advancement of and dissemination of knowledge through teaching and training programmes, conferences and seminars of theoretical and practical relevance for the courses of study.

whereas

Both TERI and TERI-SAS mutually agree to work together for mutual benefit towards achieving the aims and objectives of both the organizations. The parties have thereupon agreed on the following:

1. Research cooperation between TERI and TERI-SAS on mutually agreed terms and conditions.
2. Cooperative programmes with a long term perspective to be undertaken through
 - joint studies
 - exchange of research/teaching staff
 - programme information
 - seminars, symposia, conferences etc.
3. TERI agrees to provide initial corpus/financial support for the establishment/infrastructural establishments of TERI-SAS.

14/6/2001

4. TERI also agrees to provide its research and other staff to TERI-SAS for undertaking various teaching and other assignments on mutually agreed terms as joint appointments or as adjunct faculty.
5. TERI also agrees to make its infrastructure facilities available to TERI-SAS in the form of labs, field stations and other similar resources for the students and teaching staff of TERI-SAS to undertake research/practical work as per its programmes / curricula.
6. TERI-SAS agrees to compensate TERI suitably for services and facilities of TERI utilized by the School from time to time after meeting the expenses for the promotion of objects of the School as set forth in the Trust Deed.
7. To provide any other assistance to each other on mutually agreed terms and conditions so as to attain the common objective of research and dissemination of knowledge in the fields of energy, biosciences, environment and public policy etc.
8. In case of conflict that may arise on the interpretation of the terms and conditions and/or on any other issue between these two parties, the decision of the President TERI-SAS (Director-General of TERI, ex-officio) would be binding on both the parties.

This Memorandum of Understanding is signed on at New Delhi by the two parties

for TERI School of Advanced Studies

for Tata Energy Research Institute
