

6.4.1 QM	<i>Institutional strategies for mobilisation of funds and the optimal utilisation of resources</i> Describe the resource mobilisation policy and procedures of the Institution within a maximum of 500 words File Description <ul style="list-style-type: none"> • Provide the link for additional information • Upload any additional information 	4
-------------------------------	--	---

TEXT

1. The Deemed to be University has a time tested and well-established resource mobilization policy in place. Right from the meeting of the first Finance Committee (FC) on 17th April 2001 ([link](#) to Minutes), optimal utilisation of resources has received the highest priority. A well structured internal and external audit system is in place to monitor and control both inflows and outflows of funds. Finance Committee scrutinizes financial estimates every year before recommending them to be placed before the BoM for approval, with its observations, if any ([link](#) to present FC composition and Minutes). The FC has occasionally advised "proper steps to ensure that forensic cum investigative and managerial and strategic audit is conducted by a competent professional firm" ([link](#) to the Minutes). Audited Statement of Accounts ([link](#)) are placed before Finance Committee and Board of Management.

2. Budget estimates covering both revenue and capital expenditure of various departments and sections are prepared and placed before the FC. The main sources of income are the following sources:

- A. Student fees
- B. Rent received from rental premises to M/s International Tractor Limited and hostel
- C. Receipts from Training, Seminar and Workshop--both rental and for various services--offered to the faculties, department and outside agencies for organising academic and nonacademic activities like conference, seminars, lectures, workshop.
- D. Interests on Deposits including Corpus
- E. Overhead charges from research grants received from various government and non-government funding agencies.

TERI SAS does not receive any grant from any government besides those through sponsored projects, consultancy or programmes.

3. TERI SAS is aware of the need as well as the crucial significance of exploring alternative sources of funding for more effective progress towards achieving its goals and mission. Hence, it is in the process of developing more pro-active mechanisms to mobilise non-tuition related funds. For example, it strongly encourages its faculty members to pursue sponsored research projects and offer training programmes as part of its effort. Coca Cola Department of Regional Water Studies supported by the Coca Cola Foundation, the Railway Chair and the HUDCO Chair are examples that resulted from reaching out to Corporates and Foundations to provide general support or to support the establishment of specific programmes/facilities at the Deemed to be University (list of functional MoUs in [Annexure 6.4.1.A](#))

4. The management of the finances at TERI SAS is done in a way as to ensure accuracy, transparency, disclosure and accountability. The financial resources are judiciously allocated to academic and administrative purposes in addition to developmental activities to meet the requirements. Deputy Finance and Project Management Officer head the team handling everyday financial matters. The financial management system is computerized ([Annexure 6.2.3.I](#)). The University follows online system for receipt of all fees including admission fees, and makes payment through NEFT, including salaries. The Purchase Committee (office order establishing the latest Purchase committee is in [Annexure 6.4.1.B](#)) consisting of the DFO, one member each from the Faculty and administration examines the quotations received for purchase of consumables, equipment, furniture etc., and after satisfying itself with the quality standards, prices quoted and reputation of the supplier, gives its recommendations for purchase of the items. Entire procurement takes place through online portal ([Annexure 6.2.3.H](#)).

List of MoUs with the Deemed to be University as one of the parties

Serial no	MoU with	Date of Signing	Activities covered	Contact person
01.	Albert-Ludwigs-University of Frieburg Faculty of Forest and Environmental Sciences	20.12.2010	Curriculum development, faculty/staff exchange, student exchange, research and material exchange	Registrar
02	The Alliance of 4 Universities (A-4U), including Universitat Autònoma de Barcelona, Universidad Autónoma de Madrid, Universidad Carlos III de Madrid and Universitat Pompeu Fabra, Spain	13.07.2015	Student and faculty exchange, joint research projects, PG research co-supervision, etc.	Prateek Sharma
03	Amrita Vishwa Vidyapeetham	01.05.2014	Faculty and staff exchange, special short term academic programme, research visits of graduate students; joint degree, PG diploma programmes, joint supervision of doctoral candidates and joint/dual degrees	Registrar
04	Asian Institute of Technology, Thailand	21.01.2015	Report on country case study, publication of peer reviewed articles.	Arun Kansal and Gopal Sarangi
05	Canvest Infracapital Inc., Canada	30.09.2020	short-term education programs, joint projects, data analytics and technology entrepreneurship incubation centre etc.	Arun Kansal
06	Carleton University, Ottawa, Canada	01.02.2016	Research collaboration, capacity building, and other forms of academic partnerships	Rajiv Seth
07	Centre for Air Power Studies	01.04.2015	Admission of officers recommended by IAF in PhD programme in selected research areas	Rajiv Seth
08	Centre for Public Policy Research, Kerala	20.01.2021	Collaborate on internship opportunities, student placement support, research projects and organising workshops and short term courses relevant to research projects	Deepty Jain and Ranjana Chaudhuri
09	Colombian Presidential Agency for International Cooperation and APC-Colombia	23.09.2016	Cooperation and collaboration in the areas of energy research, renewable energy, public policy & sustainable development, environmental studies and resource management	Rajiv Seth
10	Concordia University, Montreal	27.03.2018	Student exchange, collaborative research	Registrar
11	CPWD, New Delhi	24.09.2019	Exchange research papers and reports, execution of research projects, scholarly publications, patents and participation at conferences, training of officials, etc.	Atul Kumar, Aviruch Bhatia
12	Deakin University, Australia	20.07.2012	Academic staff cooperation, research collaboration, student, faculty and supporting staff exchange	VC office

6.4.1.A

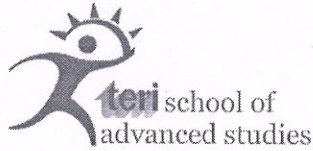

13	Deakin University, Australia	30.06.2019	Collaborative research activities and projects, activities in the areas of water science and governance, renewable energy engineering, sustainable agriculture, nano-biotechnology etc., Jt. PhD supervision, joint publications	Registrar, Sapna Narula
14	Deutsche Bank	14.04.2014	Deutsche Bank Chair on Sustainability and Finance	Registrar
15	DHAN Academy, Tamil Nadu	16.10.2020	Field exposure to MTech (REEM) and MSC (WSG) students, participation in teaching, research and extension.	Arun Kansal, HoD., DoRWS
16	EKI-Energy Services Limited	13.02.2020	Curriculum design, Industrial training and visits, placement of students, R&D, skill development programme, guest lectures, etc.	Sonika Goyal, Naqui Anwer
17	Embassy of Sweden	10.11.2017	Execution of 7 day challenge under Sweden India Nobel Memorial Week 2017	Rajiv Seth
18.	Emerson Electric Co (I) Pvt. Ltd, Pune, Maharashtra	25.01.2021	Collaboration on R&D activities, conduct of joint workshops, internship opportunity, conduct of expert lectures, etc.; Emerson Environmental Sustainability Centre for Excellence	Kamna Sachdeva
19	Environment Protection Training and Research Institute, Telangana, India	12.05.2017	Academic/student exchange, collaboration in the areas of Environmental Science and Engineering	Suresh Jain, Arun Kansal?
20	Foundation Open Society Institute	11.09.2017	Scholarships	Gopal Sarangi
21	Fraunhofer-Gesellschaft, Munich	06.06.2017	Cooperation in the field of wind energy and energy system technology	Naqui Anwar, Som Mondal
22	Freie University, Berlin	19.10.2007	Student/faculty exchange, research activities, projects, etc.	Registrar
23(N)	Future Himalaya Institute (FHI), Kathmandu, Nepal	19.07.2018	Disseminate TERI SAS programmes information in Nepal for prospective students, co-supervision.	Arun Kansal, Sonika Goyal
24	Gurugram Metropolitan Development Authority, Haryana	06.09.2017	Joint research activity, sharing of technical expertise etc.	Nithiyanandam Yogeswaran
25	Grassroots Research and Advocacy movement	09.09.2015	Short term training programmes, internships, study tours etc	Rajiv Seth
