7.1	Description of work and activities	The participants were expected to develop and lead academic programs at their own institutions. Hence, this workshop was aimed at providing academic leadership and management skills to the participants. The participants were also trained in designing curriculum of an academic program. This included implementation of field work based studies, practical training with external agencies, research based courses, interdisciplinary courses, etc. into the curriculum.
7.2	Project Reach, engagements and beneficiaries, if applicable	18 faculty members from RUB participated.
