- Applicants must have listed at least 3 ECTS per month of stay to be recognized by TERI SAS. Please consider: The full workload for one semester consists of 30 ECM.
- CV
- The motivation letters should be reviewed in terms of the applicants' academic motivation to participate, and the reasons given for this motivation.

Nomination to the Receiving Institution

TERI SAS nominates the selected candidates to the University of GRAZ providing the relevant information as requested by the deadline communicated in the respective factsheets. Outgoing students to the University of Graz are nominated online through the Mobility-Online database. After the nomination in Mobility-Online, the TERI SAS will send either the Learning Agreement signed by the nominated student as well as the sending institution or the Letter of Supervision signed by a Uni Graz professor for each nominated student to the Receiving Institution.

Important Dates:

- **Last date of application: 7th September 2026**

How to Apply:

- Candidates must send completed application forms (available at TERI SAS link) along with updated CV and transcripts to Mr Mayank Mohanty.
- Please mention "**Application for Student Exchange Programme Opportunities for Master's between TERI SAS and University of Graz** " in the subject line.

Important Note:

- For candidates shortlisted, it is mandatory to provide valid scores of Minimum B2 (CEFR) in English or German before joining the programme.
