Dr. Shantanu De Roy (Secretary)

**Agenda**

- Outline of the proposed BBA programme.
- Outlines of three courses that will be offered in the first semester of the BBA.

1. The subject "Fundamentals of Computers and Programming" name could be changed to something more appealing.
2. To add any "Accounting" course in the first semester.
3. To ensure the subject "data visualization" is not overlapping with any minor subject offered by the Data Science department.
4. To ensure Mathematics subject is introduced in semester 2 before Data Science subject is introduced.

5. Mention somewhere in the program structure that Minor once chosen cannot be changed.
6. The chronology of the subjects of "Accounting" needs to change. Financial Accounting should be introduced first followed by Management Accounting.
7. To ensure that at one core course from each domain of HR, Finance, Operations to be present in semester 5 and 6.
8. Change the course name of "Contemporary issues in Strategic Management" to "Strategic Management" in Semester 7.
9. Is it important to introduce Minor subjects in every semester?
10. It was suggested to introduce "Business Research methods" as a course in Semester 6 or 7 before the student starts working on the Research work.
11. While presenting the course outline of Principles of Management, it was suggested to introduce "Theories of management" in module 1.
12. Certain changes were suggested in the course outline of "Introduction to Microeconomics", regarding application of game theory and module 3.

The BoS Chairperson concluded the meeting with a vote of thanks.
