Max Planck India Mobility Grant

Dear Dr. Singh,

On behalf of the President of the Max Planck Society, Professor Martin Stratmann, I have the great pleasure in informing you that your nomination for a Max Planck-India Mobility Grant has been successful. I would very much like to congratulate you on this outcome and welcome you to the "Max Planck Family".

Please send copies of this letter to the Director of your institute, your Head of Department, and to your administration accordingly.

The Mobility Grant is not paid out to you as a personal fellowship, but is disbursed for the candidate's purposes through the host Max Planck Institute to cover:

- Travel expenses from India to Germany (economy return ticket)
- accommodation costs
- per diem (according to the German Federal Travel Expenses Act (Bundesreisekostengesetz))
- local travel expenses within Germany for research purposes during the stay (according to the German Federal Travel Expenses Act (Bundesreisekostengesetz))
- expenses for consumables or other scientific costs

As a next step, please contact Professor Myrskylä at the MPI for Demographic Research (myrskylä@demogr.mpg.de) to agree upon the dates of your first stay at the MPI. Please also contact the MPI for assistance in organizing accommodation.

For any further questions that you may have please do not hesitate to contact me at MPG Headquarters.

I would like to wish you continued success in your scientific endeavours.

With best regards,

R. Bischof-Drewitz

Renate Bischof-Drewitz
