EAUC - The Alliance for Sustainability Leadership in Education

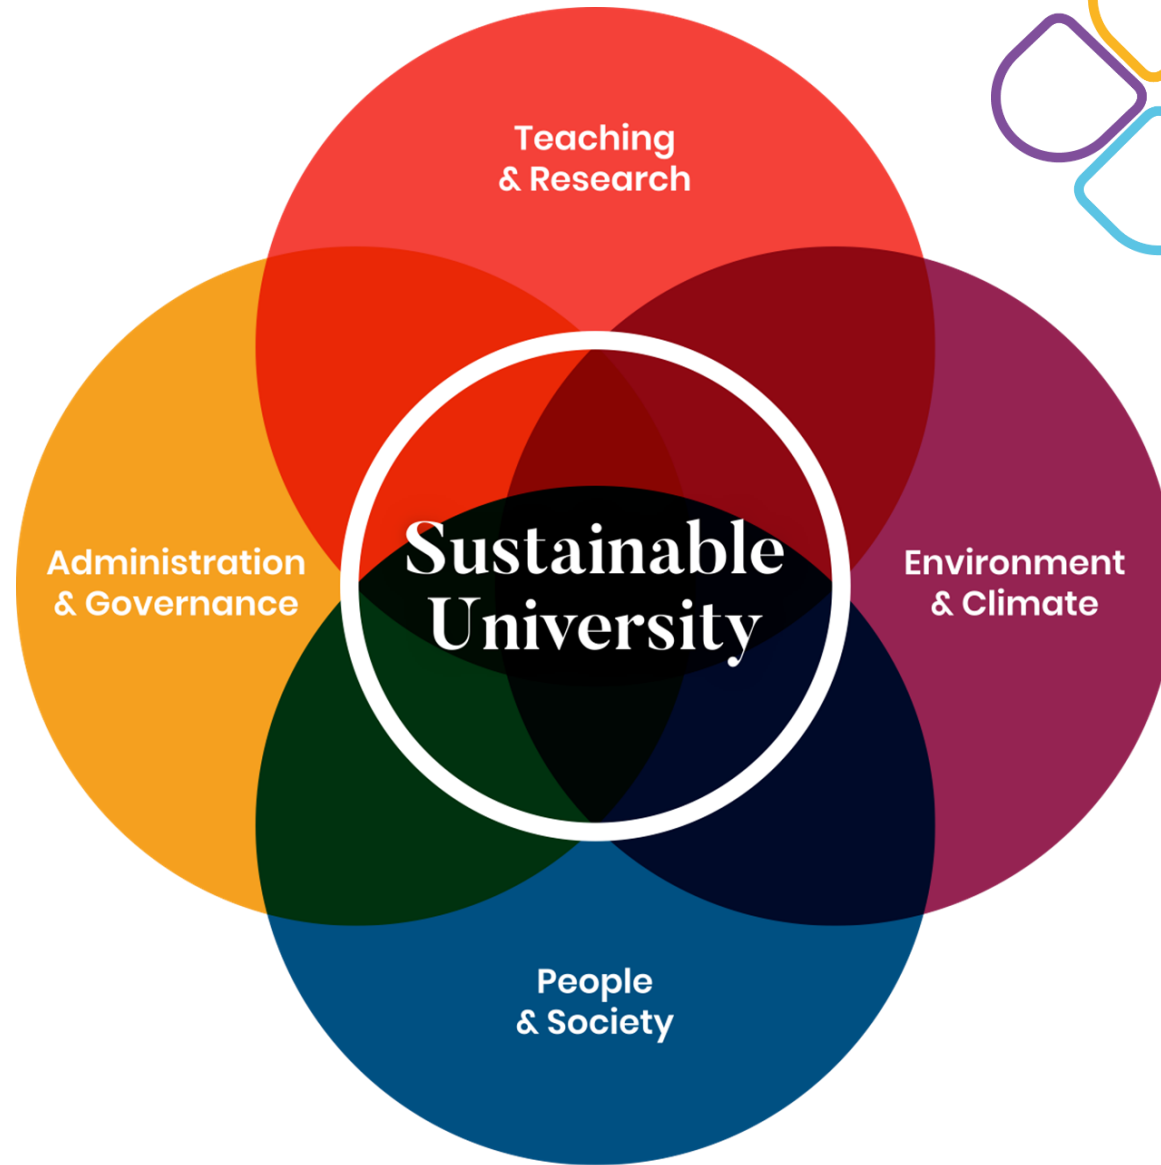

# UNEP's Sustainable University Framework

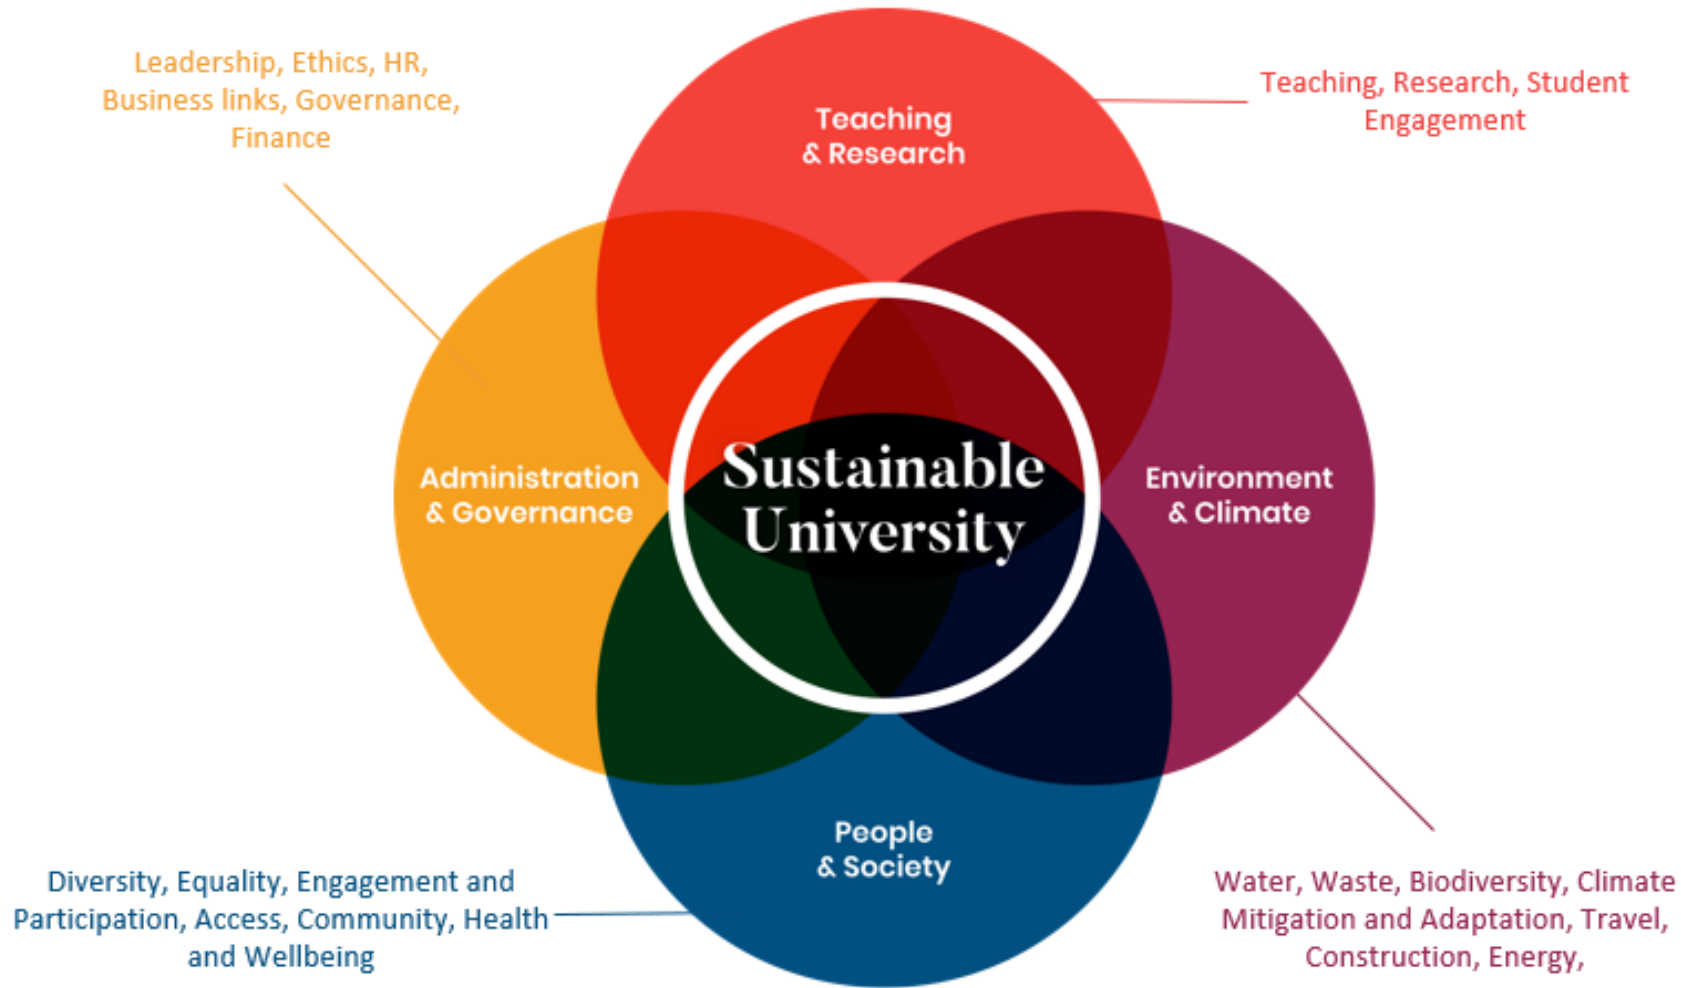

Google it

Defines what it means to be a sustainable university and  
lays out a pathway to becoming one

## UNEP 4-Step Framework to a Sustainable University

Revise and raise  
your ambition and  
vision of  
sustainability

Establish a continual  
improvement  
process

Your sustainability  
journey is embedded  
as a research and  
curriculum resource

# Quick Wins

Join us and make  
the Framework fit  
India
