### OBJECTIVES & GOALS

"Education is the most powerful weapon which you can use to change the world"

- Nelson Mandela

As for me the education is the soul of any developing society. I want to engrossed myself for this pious work of imparting my knowledge, my wisdom, my experience to the society. To give back to the society in any form is a goal for me to achieve. I want to use my professional skills clubbing with my academic achievements and experiences for improving students in their thinking capacity leading to increase their knowledge resulting in making them a responsible citizen of my country.

It is my duty as a legal expert to ensure that no one gets ignored from getting education as right to education is a fundamental right provided in our Constitution. I also want to lit a flame of social conscience which can convert every learner an asset for their families, society and their country.
