### EXPERIENCE

#### ➤ Nangloi Water Services Limited

Position - HSC Coordinator

Tenure – 1 year 2 months (09.05.2016 to 20.07.2017)

Location – Nangloi (New Delhi)

Responsibility – On-Site Verification, Monitoring and Reporting for Billing.

Nangloi Water Services (NWS) is an undertaking of Veolia Waters (India) and Swachh Environment Pvt. Ltd. and is working in a PPP model with Delhi Jal Board for the Improvement & Revamping of Existing Water Supply, Transmission and Distribution network under the command area of Nangloi Water Treatment Plant, Delhi.

The House Service Connections that were in process there, I was working in coordination with the on-site team for the maintenance of connection records and verifying connections at site and further providing the data for Public billing, Contractor billing and Client billing.

➤ **Hindustan Prefab Limited**

Position – Engineer (Civil)

Tenure – Six Months (20.03.2015 to 19.09.2015)

Location – Ashok Nagar (MP) and Cuttack (Odisha)

Responsibility – Project execution, coordination, monitoring and reporting.

Hindustan Prefab Limited (HPL) is a Government of India Enterprise functioning under Ministry of Housing & Urban Poverty Alleviation. HPL builds the civil engineering structures and supplies the pre-stress components for building industry & Indian Railways. HPL was appointed as monitoring agency for making toilets in the Government Schools under Swachh Bharat Abhiyan funded by CSR Scheme. The contract tendering was done by HPL and the contracts were awarded to various local contractors accordingly. As Engineer (Civil) I was coordinating and monitoring the work execution progress with the contractor at various locations, reporting the work progress to the DGM and HO on daily basis, job quality audit and verification of work completion.
