Student and Advocate

I am a Law Graduate from Amity University, Lucknow Campus. After completing my 5 year-Law Degree with CGPA 5.11 in Second Division, I decided to spend my time interning with organizations that focus on human rights, social justice, education, etc. as these are areas that interest me to the core. As a result, I opted for my PG in Education with Second Division from Ram Manohar Lohia Awadh University, Faizabad, for a better academic understanding of the sector, and also that my legal background would always be a value addition in whatever I choose a profession. This was something I truly enjoyed. The environment is also an area that concerns me, and I have done a paper on NGT as well during my graduation. I am very Good at Leadership quality. I have completed the LLM in Infrastructure and Business Law from The Energy and Resources Institute School of Advanced Studies (TERI SAS) University (2020-2021) in Delhi. I had passed the LLM with a GGPA of 6.66/10. I worked in Vapsoft Technologies Private Limited as a Senior Manager Operation in EDUIM Department from October 2016 to August 2018 in Noida.
