

Stakeholder Consultation Workshop on Water, Sanitation and Hygiene (Urban) – Northern and North-Eastern Region

Event Summary

A **Regional Stakeholder Consultation Workshop** for the Northern and North-Eastern region was organized by TERI University along with TERI and Coca Cola India Inc. in Delhi on January 12, 2016.

Dr S K Sarkar, Distinguished Fellow and Director, TERI, welcomed that participants. He highlighted the issues of open defecation, solid waste management, and septage management in urban areas. Dr Girija

Bharat gave an introduction to workshop. A special address was given by Mr Anand Rudra, Senior Project Management Specialist, Water & Sanitation, USAID. Mr Depinder Kapur, National Coordinator, India WASH Forum mentioned about the need for slum development and indicated that time-bound objectives of SBM can prove to be a good initiative. Mr Chandra

Mohan Gupta, Director, Corporate affairs, Coca Cola India and South West Asia shared the achievements of “Support My School” initiatives of Coca-Cola. The inaugural session concluded by a vote of thanks by Ms Sonakshi Saluja, TERI.

The workshop witnessed active participation from stakeholders from The World Bank, Delhi Jal

Board, Urban Local Bodies (ULBs) from Karnal, Sikkim, NGOs such as CURE and AFPRO from Delhi, Rama Krishna Mission-Tripura, organizations such as GIZ, International Papers, Development Alternatives and many others who are actively working in the Urban WASH sector in this region.
