

# **ORIENTATION DAY**

## **9<sup>th</sup> APRIL 2015**

On the basis of the findings of this report - 60 teachers from these schools will be trained to facilitate change for improvement in their schools under the over-arching agenda of WASH.

2 teachers each from all the 30 member schools were formally introduced to the project on 9th April 2015 through an Orientation Program held at Conference Hall, Mayor's Building, Kolkata Municipal Corporation. TERI acquainted the teachers to the project and laid out the importance of WASH in their schools. The program also highlighted the ways in which the project will help them and their students to act for a cleaner and healthier tomorrow. The program was interspersed with group activities, survey-questionnaires and discussions which helped the teachers to get a good sense of what is in store for their schools in the first project cycle.
